

NSYC Commodore's Cup

PHRF Race

NOTICE OF RACE (NOR)

Sunday September 11, 2022

NSYC Sailors:

On Sunday, September 11, 2022, NSYC will hold the Commodore's Cup, open to North Shore Yacht Club boats only, a full crew PHRF race with Cruising start. It is planned for Manhasset Bay and/or LI Sound, starting from the Worry Wart in Manhasset Bay with Warning at approximately 1325 hours, planned for about 2-3 hours with the time limit for this race at 1630 hours. The Commodore's Cup race is one of the races in our Club Race Series, which is described in the Club Directory and on the Club website.

This is a non-spinnaker race but a whisker pole **MAY** be used.

A Cruising Start will be used for this race, with a standard 5-minute starting sequence in which boats may not start, but followed by a 5-minute window in which boats may start any time within that period.

We will be using the chart with racing mark letter designations from the Cow Bay Racing Association (CBRA) 2022 circular for our courses. If you do not already have the CBRA chart, download it from the club website: www.nsync.net/sailing/racing, and then click on Cow Bay Racing Sailing Instructions.

Covid: Compliance with the NSYC current Covid protocols, if provided, shall be observed.

To register for this race, please email raceentries@nsync.net with your intention to race along with boat name, boat type, length, sail number and YRALIS PHRF rating. If you do not have a YRALIS PHRF rating, we will develop one for you if you supply the aforementioned data plus the size of your largest jib (as a percentage of "J"), the number of blades on your propeller and whether or not it is folding or fixed. If you need help please call, text or email, Richard Raskin, Cell/Text 631-379-7240, Email: (Richard390Raskin@gmail.com)

The Race Committee (RC) for the race may accept entries any time before the Warning Signal at 1325 hours.

If there are two divisions specified on the Scratch Sheet, both divisions will start together, although they may have different courses, as announced on VHF channel 69 by the Race Committee.

Radio Communications: Every boat shall have an operating VHF radio. The RC may communicate information on VHF channel 69. Entrants, please use VHF channel 69 to sign-in with the RC at the Worry Wart (WW) & monitor this VHF channel for pre-race information, announcements, course(s) to be sailed & during the race for safety & race updates.

***Cruising Start:**

- The nominal start will be governed by the standard 5-minute starting sequence of warning, preparation and start, with only sounds marking the sequence.
- Each boat racing (there may be multiple divisions for scoring and course) must start within the next 5-minute Starting Window following the Starting signal.
- The RC shall record each individual boat's Start and Finish times to the nearest hour, minute and second.

NSYC Commodore's Cup– 2022

This race notice (NOR), and separate Sailing Instructions (SI) will be available on the website www.nsync.net/sailing/racing by August 28th, will be emailed to each entrant soon after entering, and from the Race Committee on the Worry Wart on the day of the race.

A scratch sheet of all the boats registered will be emailed to all registrants no later than noon, Saturday, September 10th, and posted at the club the morning of the race.

In conjunction with this race, the ***Commodore's Meet-Up (formerly Raft-up)*** will take place Sunday, September 11, at 1600 hrs hosted by Commodore Linda Kulla, on the back deck of the clubhouse. We invite all participants to please join us there and make a day of it.

Race results will be emailed to entrants, posted on our website, at the club and published in the Blinker. Awards for this race and the NSYC Club Race Series will be awarded at the end of season Awards event.

Please contact George Marks (Cell/Text 516-528-6773, Email: GeorgeRmarks@gmail.com) for questions or comments.

We endeavor to provide NSYC skippers and crew with a competitive, challenging and enjoyable afternoon of racing and hope you will register, race and have a great time!

NSYC Race Management Committee (RMC): George Marks, Bill Palafox & Richard Raskin
