

Covid Guidance
For
North Shore Yacht Club (NSYC)
Day Race
June 5, 2021

Note: In conversation with YRALIS, most clubs are referring entrants to check their website rather than publish their Covid 19 protocols in race notices or sailing instructions. NSYC has decided to do the same.

Please note – NSYC observes New York State COVID-19 protocols and strongly encourages wearing a mask and safe distancing while on the property and on the launch.

Crews race at their own risk, so it is really up to skippers and crews to comply. Please use discretion in selecting crew size. Once on the boat, please post the crew members as far away as possible from each other, and **STRONGLY** advise wearing a mask... Ideally, boat crews and Race Committee should either be family or wear masks and social distance.

PARTY FOLLOWING THE RACE at NSYC, there will be free beer, soda, snacks and such. In conjunction with this race, ***The Party*** to be held on the outside decks at NSYC, with controlled overlap inside the clubhouse. Vaccinations and/or Masks and Social Distancing will be required. We invite all participants to please join us there and make a day of it.

Contact Information: Please submit questions and/or comments to George Marks (516-528-6773, georgeRmarks@gmail.com)

Thank you!
